

Preparing emerging leaders in rural communities

December 2022

To Whom It May Concern,

The Leadership Idaho Agriculture Foundation is a 501(c)3 organization as recognized by the IRS, June 1994. The Employer Identification number for LIA is 94-3199109. The original letter of tax-exempt status is on file at the LIA office and may be obtained by calling 208-888-0988 or emailing rick@amgidaho.com.

The LIA Foundation annually sponsors an Alumni Auction. Proceeds from this auction are used to provide scholarships for future participants in the program activities. Level I LIA activities include four class sessions held over an 18-day period at four locations in Idaho – Moscow, Idaho Falls, Twin Falls and Boise. Level II activities include the Washington, D.C., Experience, and the Idaho Public Policy Experience available to LIA Alumni.

Current class members or alumni members of the LIA program provide all items to be sold at the auction. Any donation offered for sale at the LIA auction is considered a donation at a value to be determined by the donating party and is recognized as a contribution to LIA, which is a not-for-profit organization based on the IRS letter. The 2023 auction will be held in Boise on Wednesday, February 22.

Thank you for your support of the Leadership Idaho Agriculture Foundation and for your assistance in developing quality leaders for agriculture in Idaho.

Sincerely,

Rick Waitley, Executive Director
